Qualifying

All World Show classes require qualifying, unless otherwise specified. Qualifying is achieved by each horse and exhibitor combination by competing in that class category at three separate eligible events within the qualifying period of August 2, 2025 and August 1, 2026 and submitting the results via a completed Exhibitor Results Report within 30 days. Once qualified in at least one class, a horse and exhibitor combination may enter additional World Show classes they are not qualified for by paying the applicable \$15.00 qualifying fee.

Ancillary classes do not require qualifying and are available to any exhibitor with a current NOHSA Membership and any horse with a current NOHSA Competition Registration.

Entries

Entries will be accepted once paid in full through the online form. Entries submitted after the entry deadline of August 27 will incur a \$15.00 late fee per entry.

Cross Entry

Exhibitors may not cross enter between walk trot or walk jog classes and classes that require a lope or a canter. This applies to all classes. Horses may be shown in both categories by separate exhibitors.

Stalls

Stall reservations will be accepted once paid in full through the online form. All stalls are assigned on a first come, first paid basis. Reservations made after the stall deadline of August 27 are not guaranteed and will incur an additional \$15.00 late fee per stall or tie-out.
