QUALIFYING RULES

World Championship Show Qualifying Rules

Qualification is achieved on a class-by-class basis through participation in each class at open horse shows throughout the qualifying period of August 2, 2023 and August 1, 2024. Each exhibitor and horse combination **must qualify in at least one class to participate in NOHSA World Championship Show qualifying classes.**

Each horse and exhibitor combination will be required to participate in the corresponding class at three separate eligible events within the qualifying period to qualify in that class category.

Eligible Events

An eligible event is any horse show that offers classes not sanctioned by a national association, excluding 4-H and FFA. Exhibitors may submit classes from shows that offer sanctioned classes, as long as the submitted classes are not sanctioned by a national association.

Shows held by the same show management in the same location on consecutive days will count as one event. The number of judges or showbills for a single event will not affect eligibility.

Please note: beginning August 2, 2024, NOHSA will no longer accept results from any horse shows that offer classes sanctioned by a national association. This will not affect qualifying for the 2024 NOHSA World Championship Show but will impact qualifying for the 2025 NOHSA World Championship Show.

Submitting Results

Exhibitors must submit a complete Exhibitor Results Report within 30 days of the date the results were earned for their participation to count toward qualifying.

Exhibitors must hold a current NOHSA Membership and horses must hold a current NOHSA Competition Registration on the day of submission for a completed Exhibitor Results Report to count toward qualifying.

Exhibitor Results Reports that are incomplete will be rejected. An exhibitor who submits incorrect or false information may be subject to disciplinary action.

Qualifying Fees

Once an exhibitor and horse combination qualify in at least one class category, the pair is eligible to enter additional World Championship Show qualifying classes for which they are not qualified by paying the standard entry fee, plus an additional \$15.00 qualifying fee per class. Class Procedure

All classes will be shown under NOHSA rules. In any situation which the NOHSA rules are not defined, NOHSA will defer to the NSBA Official Handbook. 19 & Over, 19 - 49 and 50 & Over World Championship Show qualifying classes are intended for non-professional exhibitors. Open \$250 ancillary classes are intended for both professional and non-professional exhibitors.

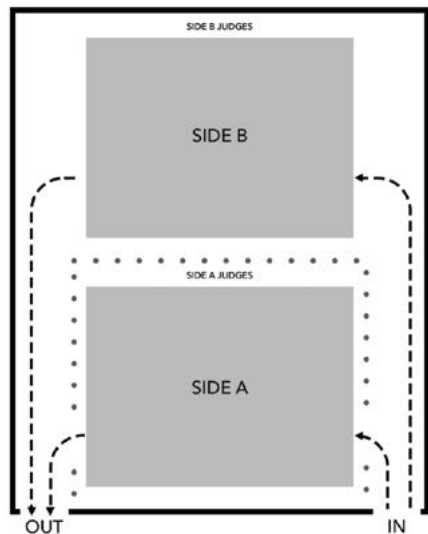

Split Pen Procedure

In the case of a split pen, the arena will be divided into two areas to show two separate classes concurrently. The arena marked as Side A will always be closest to the in/out gate and the arena marked as Side B will always be farthest from the in/out gate.

Please take direction from the back gate and be ready at the cone on your designated side when it is your turn. Exhibitors should be respectful to those showing and aware of their surroundings when traveling to their designated area.

Class Conflicts Policy

In the event that a horse or exhibitor is entered in two or more classes in separate arenas that have the potential to be showing at the same time, the

CLASS PROCEDURE & RULES

show office and back gate must be notified at least two classes prior to the conflict. It is the exhibitor's responsibility to notify the show office and the back gate.

Every reasonable attempt will be made by show management to accommodate horses and exhibitors showing in conflicting arenas. Arenas will not be held due to conflict. Exhibitors may have to choose which class to participate in and which to forego. Refunds will not be made in the event of a conflict.

Judging and Placing

Each class will be judged by two judges and will use both placings to determine the final placings unless otherwise noted. Final placings are calculated from the average placing earned by each horse under each judge. Cumulative scores are not used to determine final placings across multiple judges. The designated tiebreaker judge will break all ties. Decisions of the judges are final. For official class rules and judging guidelines, please reference the 2024 NSBA Official Handbook.

Why Do We Rank?

There are two common methods of determining a final placing or outcome in a multi-judged event. Calculating the final placings from the rank of each horse on a judge's card allows the winningest horse to be rewarded.

Ranking a class is a judge inputting their placings in order—1st, 2nd, 3rd, etc. This practice is seen in all rail classes as well as other pattern classes in which a score may be determined using an overall placing card. In the event of a multi-judged class, the rankings of each horse under each judge are averaged to find the horse that earned the highest average placing. In this scenario, the horse with the higher average placing under each judge is rewarded.

Example 1 - Cumulative Score

Using a cumulative score system to determine the highest point earning horse

	Horse A	Horse B	Horse C
Judge 1	78 (2nd)	76 (3rd)	82 (1st)
Judge 2	81 (2nd)	82 (1st)	80 (3rd)
Judge 3	78 (1st)	77 (2nd)	76 (3rd)
Total	237 (2nd)	235 (3rd)	238 (1st)

Horse C beats Horse A by a margin of one point.

Example 2 - Ranking

Using a nine-point system for first place and assuming there are more than three horses participating

	Horse A	Horse B	Horse C
Judge 1	2nd (8)	3rd (7)	1st (9)
Judge 2	2nd (8)	1st (9)	3rd (7)
Judge 3	1st (9)	2nd (8)	3rd (7)
Total	25 (1st)	24 (2nd)	23 (3rd)

Horse A beats horses B and C because they placed higher on the overall average when ranked/placed.

Lead Line Class Rules

Lead Line classes are for riders aged 6 & under. Exhibitors may not cross-enter into a class in which the rider is expected to compete astride independently. Lead Line exhibitors are not required to qualify and are exempt from entry fees. Lead Line classes will not be placed and all participants will receive an award. A Lead Line sign-up form will be available at the show office.

CLASS PROCEDURE & RULES

Small Fry Class Rules

Small Fry classes are for exhibitors aged 11 and under that are not ready to compete at a lope or canter. All Small Fry classes will be offered as Walk Jog or Walk Trot. Exhibitors may not cross-enter into any classes that require a lope. Horses entered into Walk Trot classes with one exhibitor may enter into classes that require a lope or a canter with another exhibitor.

Riders aged 11 and under may chose to participate in 13 & Under classes, but will be ineligible to compete in any Small Fry 11 & Under classes (including Small Fry Showmanship 11 & Under).

Small Fry exhibitors are welcome to participate in All Age Walk Trot, All Age Walk Jog, Open \$250 Walk Trot, and Open \$250 Walk Jog classes.

All Age Walk Trot Class Rules

All Age Walk Trot classes are for Walk Trot or Walk Jog riders of any age. Exhibitors may not cross-enter into a class that requires a lope or a canter or a Small Fry 11 & Under class. Horses entered into Walk Trot classes with one exhibitor are eligible for classes that require a class that requires the exhibitor to lope or canter with another exhibitor.

Ranch Class Rules

Horses and riders entered in Ranch classes may cross-enter into Western and English All-Around Classes. Hoof polish, braided or banded manes and tail extensions are prohibited in any Ranch classes.

Pony Class Rules

Pony classes are for horses that do not exceed 14.2 hands or 58 inches.

Equestrians With Disabilities Rules

NOHSA will follow all Equestrians With Disabilities rules and regulations set forth by National Snaffle Bit Association and outlined in the 2024 NSBA Handbook. According to official NSBA rules and regulations, participants in the Equestrians With Disabilities competition must have a diagnosed mental or physical condition attest to by a licensed medical physician.

An EWD Special Diagnosis Form must be completed, signed by a licensed medical doctor and submitted to NOHSA prior to competing in classes for Equestrians With Disabilities or must hold current approval from NSBA.

A Special Adaptive Equipment Form, if applicable, must be completed by a certified instructor or coach of PATH, Int., Special Olympic, US Para- Equestrian, Certified Horsemanship Association or IRD or a certified therapeutic riding instructor, indicating the adaptive equipment required for each participant prior to competing in classes for Equestrians With Disabilities. For a complete set of EWD rules and forms visit www.nohsa.net.

NOHSA will provide a mounting block. Exhibitors will be responsible for providing any other special mounting needs.

A rider may not show in any other Youth, Adult, or ancillary classes while showing in the Equestrians With Disabilities classes. Exhibitors must hold a current NOHSA Membership and horses must hold a current NOHSA Competition Registration.

Handler attire must meet the requirement of NSBA Rule #136 or #137 with the exception that hats are not required. However, if a hat is worn it too must meet the standard of Rule #136 or #137.
